

Tumakuru Smart City Limited

## DIGITAL LIBRARY SOLUTION

1. **Library Management System (LMS)** for proper Inventory Management and Online issuance of Books
2. **Subscription to e-Journals, e-Books** (based on the requirement)
3. Customizable lending system for the digital content access
4. All the contents (Proprietary Content) to be **DRM protected**.
5. Enhancing the in-house reading facility at Library by deploying 20 Computers

### Online Journal Platform

**e-Journal Gateway** providing seamless access to all the e-journals subscribed by the library. The gateway will facilitate:

- i. Access to bibliographic data of all peer reviewed journals
- ii. Access to all the open access journals available on the web
- iii. Access to the bibliographic information of all the Indian journals published online
